**Registration code:** 2021-2-HU01-KA220-VET-000049615

**Project outputs:**

1. A proposal to amend the current EU legislation regulating export rules with the “deemed” export
2. B-Learning material for training relevant university and SMEs staff
3. A guide for universities and SMEs providing information on how to protect know-how in the international environment with ways of dealing with possible theft of know-how by a foreign national or institution

**Short description of the project:**

The main goal of the COMMITTED project is to contribute to the sharing of innovative ideas in the EU through the development of the understanding of international business educators and small and medium-sized enterprises relating to “deemed export” and thus to promote compliance of academic activities in international trade with foreign trade regulations. The project aims to raise awareness of the importance of academic compliance with EU and US foreign trade regulations and to share best practices of multinational companies at the stage of preparing employees and suppliers for behaviour in accordance with “deemed export” regulations.
